Bean and the Baker Opens Second Location in Hudson's Summa Health Wellness Complex

Grand Opening Event October 10

(October 3, 2017, Hudson, Ohio) – Ravenna's popular spot for coffee, pastries, breakfast, lunch, and catering is expanding by opening a second location inside Hudson's Summa Health Wellness Complex.

"The opportunity to serve another great community, like Hudson, in addition to the hardworking staff and clients of the Summa Health Wellness Complex, is very exciting," said Tina Valdez, Cafe Manager for both the Ravenna and the new Hudson location.

The Bean and the Baker location in the Summa Health Wellness Center will adapt its menu to include the same signature coffee and beverage options it is known for as well as smoothies and light lunch options designed to fit a variety of dietary needs.

Like Ravenna, the Hudson location will offer fast and convenient online ordering.

"Whether you're finishing up a workout session in the Complex, or just out and about and want a delicious pick-me-up, our online ordering makes it easy and convenient to get what you want without waiting," Valdez said.

The new location also includes a dedicated meeting space that is available by request. To reserve it simply notify the Bean and the Baker staff member at the counter.

Bean and the Baker in Hudson will also offer its generous loyalty program, including a free birthday beverage and other perks throughout the year. Sign up online or with the purchase of any drink or food item.

The address for the new location is 5626 Hudson Drive, Hudson, Ohio 44236. Take Corporate Drive around to the main entrance, walk in through the main doors, and Bean and the Baker is located to the right.

Location hours are:

Monday-Friday: 6:30 a.m. – 3 p.m.
Saturday: 7:30 a.m. – 12 p.m.
Sunday: Closed
